Sir,

86542 BII/52 30-7-52

Sub:-Establishment - The Thungabhadra Project Cooperative milk supply society ltd.Bellary district- services of a Junior Inspector of Co-operative Societies at half cost - sanction - Requested.

Ref:-D.O.No.49815-BII/52-1, Dated.6-5-52 from Sri S.G.Apparao Nayudu, Assistant Secretary to Government, Development Department.

---x---

As required in the D.O. letter cited, I had submitted with my D.O. Rc.77508/52-T, dated 31-5-52 addressed to Sri S.G. Appa Rao Nayudu, Assistant Secretary to Government, Development Department, a note on the working of the Thungabhadra Project Cooperative milk supply society ltd., in the Bellary district. In that note, I had indicated that the affairs of the society were not managed properly and that with a view to setting right the irregularities in its working and furthering the scope of its activities, it was necessary to place its day-to-day administration in the hands of a departmental Junior Inspector whose cost might be borne by Government and the society on a 50 : 50 basis.

2. Organised with the prime object of serving the large number of employees at work in the Thungabhadra Project, this society started work on 5-11-48. At the end of May 1952, it had 98 members on its rolls with a paid up share capital of Rs.4255. From 1-7-51 to 30-4-52, it purchased milk from members of the value of Rs.101284 and sold it for Rs.106703. As already explained in the note referred to above, it is playing a useful role in ~~takin~~ tackling the problem of milk supply in the area.

3. The society has issued interest-free Government loans to its members for purchase of milch animals. Out of the interest-free loan of Rs.7027/- sanctioned to it, a sum of Rs.4968/- has fallen overdue. The Deputy Registrar, Bellary reports that the office-bearers of the society are not taking prompt action to recover the loans from the borrowers concerned. Hence, in order to ensure the safety of state loans and develop the business of the society on sound lines, it is necessary that a Junior Inspector should be posted to work as its manager.

4. The present financial position of the society is not so strong as to bear the entire cost of a Junior Inspector out of its own funds. It has therefore agreed to meet 50% of his cost under Fundamental Rule 127. A copy of its balance sheet as on 31-5-1952 is enclosed.

5. I therefore request that Government may be pleased to sanction to the Thungabhadra Project Cooperative Milk Supply society in the Bellary district the services of a Junior Inspector of cooperative societies to work as its manager, for a period

P.T.O.

of one year from the date of employment, subject to the condition that 50% of ~~th~~ his cost under Fundamental Rule 127 will be recovered from the society.
